Congregation Beth Shalom Hebrew School
Tuition/Fee Schedule and Remittance Form 2011-2011/5772
(Please see next page for grade-by-grade fees)

The next page lists the Tuition Fees at Congregation Beth Shalom for our growing Hebrew School for 2011-2012/5772. Included in the fee for each child are the cost of books, supplies, and a myriad of programs in which our children participate throughout the year. This eliminates the need for individual payments during the year. The following is a list indicating the activities this fee covers: daily snack, super snack for five Shabbatons (the weeks that we meet on Shabbat instead of on Sunday), graduation presents, Tu B'Shevat foods and supplies, Model Passover Seder supplies, Lag B'Omer treats, festive treats for holiday parties; breakfast for 7th grade Kehillah class; dinner for confirmation class. **Note: Parents may purchase additional textbooks to use at home. Contact Morah Dina for more information.**

This year we will offer a 2% discount on tuition charges if paid in full by check by July 30, 2011.

Kindergarten (Gan) through 6th grade (Kitah Vav) meet Sundays from 9:00 – 12:15. **Halutzim**, our program for 3, 4, & 5 year olds, meets from 10:15 – 12:15. Grades **2nd through 6th** also come on Tuesdays from 4:00 – 6:15.

Kehillah, our class for 7th graders, will meet from 10:00-12:00 on Sundays. 8th-10th graders may enroll in our new Confirmation Class, meeting on the second Tuesday of each month from October-May, from 6:00-7:30pm, including dinner.

As a “Frameworks for Excellence” model congregational school we have 5.5 hours of quality Jewish education starting in the 2nd grade, plus family education, art projects and music/dance instruction, and additional programs. We are a Model II and Model V congregational school as put forth by the United Synagogue of Conservative Judaism. View the “Frameworks for Excellence” guidelines on the USCJ website at www.uscj.org.

Like the last several years, we are providing you with two tuition rates:

- 1. An actual (“unsubsidized”) rate** – this is the actual cost of each child’s enrollment in our programs, including all fees, materials, staff, and supplies. *While we ask that you pay this rate if you are financially able to do so, it is provided only to inform you of the actual cost of each child’s formal Jewish education.*
- 2. A subsidized (“standard”) rate** – this is 50% of the actual cost of each child’s enrollment in our programs, including all fees, materials, staff, and supplies. *The Congregation Beth Shalom General Budget covers the other 50% of each child’s actual costs as enrolled members of the Hebrew School.*

Families of students grades Gan and higher must be members of Congregation Beth Shalom.
